

Make your very own Daisy

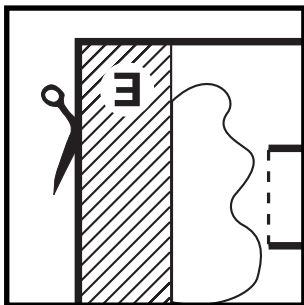

Daisy finger puppet

Instructions:

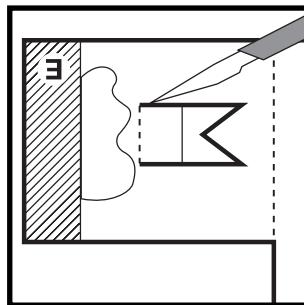

you will need:

- glue
- scissors
- a craft knife
- colouring pencils & pens

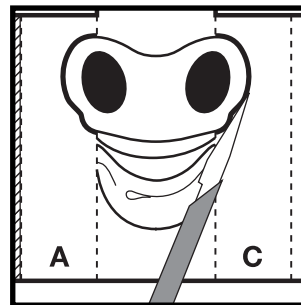

step 1:

Using scissors cut out the cow puppet around the thick black line.

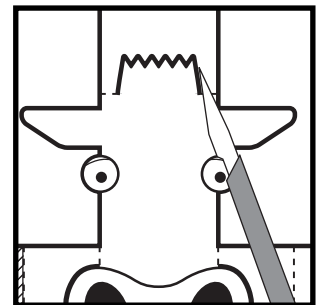

step 2:

Using a craft knife, cut out the cow's arms around the thick black line. Then fold back along the dashed line.

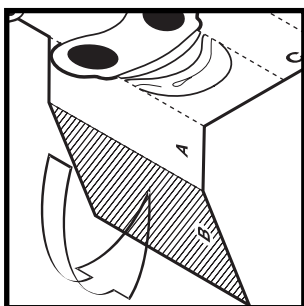

step 3:

Using the craft knife, cut out the sides of the cow's mouth along the two thick black lines.

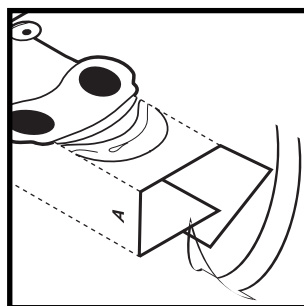

step 4:

Using the craft knife, cut out the cow's hair along the thick black line.

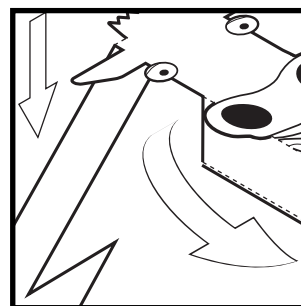

step 5:

Fold sides **B** and **A** along the dashed lines, behind the cow's head.

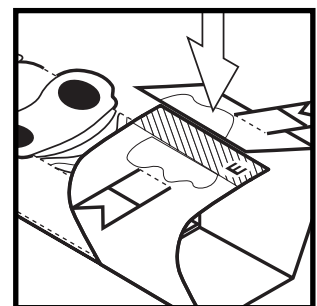

step 6:

Fold sides **C** and **D** along the dashed lines behind the cow's head. Then glue the back of side **D** to the front of side **B** to form a box.

step 7:

Fold side **F** underneath the cow's head. Then glue the back of side **F** to the front of side **D**.

step 8:

Fold sides **E** and **G** along the dashed lines. Then glue side **E** underneath side **G**.
